

Our Approach to Health Care

At Gandangara Health Services, we know that health is not just physical. Being healthy includes physical, spiritual, cultural, social and emotional wellbeing.

That is why we are dedicated to treating more than just your physical conditions!

We approach your health holistically and personally, partnering with you to develop a care plan that best suits you.

Working together, we help you set goals, and guide you through each step of your health journey to achieve them!

Feedback

If you have feedback we would like to hear about it. Please feel free to talk to your Doctor or Receptionist. You may prefer to write to us or use our suggestion box. We take your concerns, suggestions, and complaints seriously.

However, if you wish to take the matter further you can contact The Medical Registration Board, on (02) 9879 6799 or Health Care Complaints Commission on (02) 9219 7444.
